3rd B-Tech Computer Science student at Gayatri Vidya Parishad College of Engineering with a strong academic record and a passion for technology. Possesses hands-on experience and a deep interest in information security—particularly web application security—and AI-driven automation, with a focus on applying innovative solutions to real-world challenges.

Education

- B.Tech, Computer Science & Engineering 2023-2027
Gayatri Vidya Parishad College of Engineering, CGPA – 8.6/10
- 12th (Senior Secondary Examination) 2021-2023
State Board, 97%
- 10th (Secondary Examination) 2020-2021
State Board, 95%

Technical Skills

- Programming Languages – C, Java, Python
- Web Technologies – HTML, CSS, JavaScript, React, Bootstrap Framework
- Technical Skills – Data Structures, AI Automation, AI
- Behavioral Skills – Leadership, Team Player
- Tools – Microsoft Excel, Word, PowerPoint, Canva, N8n, Docker

Internships & Experience

- Web Development intern**, Nexus Logic Technologies Mar-May'25
Learned responsive web design using HTML, CSS, JS, and Bootstrap with API integration and Git/GitHub.
- Web Development intern**, Pinnacle Labs May-Jun'25
Built user-friendly web pages using HTML, CSS, JS, and Bootstrap with team collaboration.
- AWS AI & ML intern**, Edu Skills Apr-May'25
Gained experience in AWS AI & ML using S3, SageMaker, and Lambda for model deployment.
- Artificial Intelligence**, SmartED Innovations Jul-Sep'25
Gained hands-on experience in AI concepts and real-world applications.

Academic Projects

- Built an **Personal AI Assistant** using n8n to automate tasks like emails, scheduling, web searches, and code generation through integrated APIs.
- Developed a **Serverless Web Application** using AWS Lambda, API Gateway, S3, and DynamoDB for scalable, cost-efficient deployment with smooth backend integration and hosting.
- Developed a **Financial Chatbot** with Student and Professional modes, using APIs and Hugging Face models for easy explanations, market updates, and real-time financial insights.
- Built a Python-based **Automated Attendance System** using the Buffalo model that marks student attendance from uploaded photos and generates an Excel report.
- Built an **AI Resume Screener** using n8n to automatically extract candidate strengths, weaknesses, rewards, fit rating, and justification for streamlined recruitment analysis.
- Built a **Social Media Auto-Posting Agent** using n8n to automatically schedule and publish content across multiple platforms.

Trainings & Workshops

- Attended a Freedom with AI Masterclass. Feb'25
- Attended a Workshop on GEN-AI conducted by Gayatri Vidya Parishad College. Jul'25
- Attended a Workshop GenAI - LLMs & Hugging Face conducted by Cuvette Tech. Jun'25
- Attended a Workshop Docker & Kubernetes by Scaler Oct'14

Achievements

- Secured All India Rank **4067** in All India NCAT 2025.
- Secured All India Rank **2325** in ICAT 2025.
- Secured **73%** in a National-Level Online Scholarship Test conducted by AaryaJanani Contest 2025

Extra-curricular Activities

- Hobbies include Playing Cricket & Kabaddi, playing Video Games.
- Represented YFS Club in 2024 as a Volunteer.
- Represented YES Club in 2024 as a Volunteer and Poster Designer.
